8. The Planning Permission for buildings is issued in accordance with the provisions of the Town & Country Planning Act, 1971 and the rules made there under. All other statutory clearance as applicable to this project shall be obtained by the project proponent from the competent Authority. The Town & Country Planning Act provision does not cover the Structural Stability aspect of the building including the safety during the construction. However, these aspects are covered under the provisions of the Local Bodies Act.

As far as, the Structural Stability aspect of the building is concerned, it falls within the jurisdiction of the Local Body concerned as stated in the Building Rules under the respective Local Body Act 1920, such as Madras City Municipal Corporation Act 1919, Tamil Nadu District Municipality Act, Tamil Nadu Panchayat Act. The Planning Permission issued under the provision of Tamil Nadu Town & Country Planning Act 1971, does not cover the Structural Stability aspect. However, it is the sole responsibility of the applicant / developer /Power Agent and the Structural Engineers / License Surveyor / Architects who has signed in the plan to ensure the safety during construction and after construction and also for the continued structural stability of the buildings. In this regard, applicant along with the Architect and Structural Engineer and Construction Engineer has furnished necessary undertakings for Structural Design Sufficiency as well as for supervision in the prescribed formats.

9. Issuance of Planning Permission by CMDA under the statutory provisions does not confirm any ownership or title over the property, in favour of the applicant. Before issuing Planning Permission for any development, CMDA in this regard, checks only the aspect of applicant's right over the site under reference to make the development thereon based on the copies of the documents (such as Sale Deed, Patta, Lease Deed, Gift Deed etc., and GPA ) furnished by the applicant along with his /her application to prove the same. Thus, CMDA primarily considers only the aspect whether the applicant prima facie has a right to carry out development on the site under reference.

Any person who acquires interest in the property shall ensure independently about the ownership and the applicant's right before acquiring the same. Further, if any individual claim right (or) title over the property he / she / they shall have to prove it before the appropriate / competent Court to decide on the ownership or get the matter settled in the Court of Law and CMDA is not the competent authority to decide on this matter. All other statutory clearance as applicable to this project shall be obtained by the project proponent from the competent authority.

10. Applicant has to erect temporary lightning arrester during the entire construction phase of the project.

11. All other statutory clearance as applicable to this project shall be obtained by the project proponent from the competent Authority.

12. The Executive Authority of Local Body before issuing Building Permit for the construction of new building shall ensure if it has a provision in the building design itself for an insulated pipeline from the rooftop in the building to various distribution points where hot water is required. The new building shall have provision for continuous water supply to the solar water heating system. The new building shall also have open space on the roof top to receive direct sun
