In 2013, this project started by erstwhile builder, M/s. Green Tree Homes & Ventures Pvt. Ltd, that got stalled in 2015. Majority of the buyers collectively formed a society by name, "Green 201 Owners Welfare Association", duly registered (Reg. No. 88/2015) under TN Societies Act 1975. Since the original builder could not complete this project, the association entered into a litigation with erstwhile builder and the landowner, and subsequently the high court ordered an arbitration proceeding headed by Hon'ble Retd. Justice Mr. Chandru, as the Sole Arbitrator. After a long legal battle, the society secured an arbitration award, which sanctioned the Association with rights to complete this project and hand it over to the members of the Association. Despite our reminders to renew the planning permission in 2016, the builder failed to renew it. Since then, that is from 2018, the Association has been pursuing the renewal process of the lapsed planning permission. The chronology of the steps taken up by the Association are as listed below along with the copies of the correspondence with the respective government authorities.
