WITH RULE 26 OF TNRERA RULES FOR NON-COMPLIANCE
OF THE ORDER IN THE ABOVE CCP DATED 17.02.2022**

The above petitioner/order holder filed the petition for execution stating that the respondents/debtors have not complied with the order passed in the above CCP filed by them.

2. executed sale deed and are ready to handover possession of the flat to the complainant and the construction took place according to the sanctioned plan and the complainant signed the possession letter wherein all the grievances are solved to the satisfaction of the complainant himself and there is no cause of action for the complaint and the complaint is abuse of process of law and is liable to be dismissed.

3. By the order dated 17.02.2022, this Forum directed the respondents to pay, either jointly or severally, the compensation under various heads for which the complainant is entitled to. The respondents filed counter in the main case raising all the objections and legal points. This Forum passed the final order in the complaint on considering all the points raised by the respondents. It is well settled law that an executing court or forum cannot go beyond its original order. If aggrieved, it was open for the respondents to prefer appeal before the Appellate Tribunal under the RERA Act. It is not the case of the respondents that they have preferred any appeal challenging the order of this Forum before the Appellate Tribunal. In execution proceeding, this Forum cannot re-open and re-agitate the issues already decided in the case and go beyond the final order passed in the CCP. Therefore, all the contentions raised by the respondents are liable to be rejected.

4. Since the amounts due to the petitioner/order holder under the order is to be recovered as arrears as land revenue, it is just and necessary to issue warrant under section 40(1) of the RERA Act read with Rule 26 of the TNRERA Rules. The EP is disposed accordingly.
