ORDER

Challenging the order passed in C.No.41 of 2023 dated 15.12.2023 on the file of the TNRERA, the complainants have filed the above appeal.

2. On a perusal of the order passed in C.No.41 of 2023, it could be seen that the parties had settled the matter out of Court and also entered into a Joint Memorandum of Compromise dated 03.10.2023, by swapping of Flat Unit No.1701 to Unit No.1205 in the same real estate project. Recording the Joint Memorandum of Compromise, the Authority directed the respondent/Promoter to file a compliance affidavit before 31.12.2023 for having registered all the Agreements with the copies of the registered Agreements on or before 30.11.2023. The complaint was disposed of with these directions. Challenging this order, the complainants have filed this appeal.

3. It is settled position of law that no appeal is maintainable as against a compromise decree.

4. Mr.A.Prabhakara Reddy, learned counsel for the appellants submitted that the Joint Memorandum of Compromise dated 03.10.2023 was obtained by coercion in Police Station, therefore, the Authority should have rejected the same.

5. However, this contention was not brought to the notice of the Authority till today. If the said contention is a genuine one, the

complainants should have filed a Review Petition before the TNRERA, bringing all these contentions raised in this appeal, for consideration.

6. Since the appeal has been filed as against a compromise decree, the same is not maintainable. Accordingly, the appeal is dismissed as not maintainable. Consequently, the connected Miscellaneous Application is closed.
